

SOP: Goods In - Receiving

EXAMPLE DOCUMENT - replace with your own.

SOP No.	GI-001
Owner	Inbound Team Leader
Next review	2027-08-15

1. Purpose

To make sure all deliveries are received accurately and safely.

2. Procedure

- 1 Check the delivery against the booking / ASN.
- 2 Inspect pallets for damage before signing; note any damage on the driver's paperwork.
- 3 Count and scan cartons into the WMS.
- 4 Report discrepancies using the Stock Discrepancy Tracker.
- 5 Put away to the location suggested by the WMS.

3. Safety

Hi-vis and safety boots must be worn on the dock at all times.
